Easter Day Giveaway:

Apr.1 to Apr.5 - WinX Blu-ray Decrypter (original price: \$49.95)

To protect your Blu-ray disc from scratch or damage, WinX Blu-ray Decrypter is the easiest way to go! It helps you decrypt and back up Blu-ray to hard drive as M2TS video or Blu-ray folder while preserving HD quality and original video/audio effect. The output video can be played with Win7 Media Player, [DAPlayer](#), VLC, MPlayer, etc.

Apr.6 to Apr.11 - WinX HD Video Converter Deluxe (original price: \$49.95)

Almighty video software which is able to convert almost all video formats available. Independently convert between MKV, AVCHD, M2TS, AVI, MPEG, MP4, MOV, WMV, Google TV, WebM, Vpx8, etc. Convert videos to iPhone, iPad, iPod, PSP, PS3, Xbox, Android, Mobile phone, etc. It also works as YouTube downloader and DVD creator.

Apr.12 to Apr.16 - WinX DVD Copy Pro (original price: \$49.95)

All-in-one DVD to DVD copy software, designed to decrypt & backup DVD to DVD disc, DVD to ISO image, DVD to a single MPEG file with original video tracks and original AC3/DTS Dolby audio. It is featured with DVD title backup, video & audio extract. Support both homemade and encrypted DVDs, including newly Disney DVDs.

Click on the eggs randomly. The gift is hidden in one of them. [Try your luck now!](#)

Press Release:

Digiarty Bids Farewell to 2012 Easter with 5-day DVD Copy Software Giveaway and Coupon

Digiarty Software bids farewell to 2012 Easter festival with a 5-day Easter Giveaway and coupon from April.12. WinX DVD Copy Pro was formally announced as the open-to-all gift mainly for DVD to DVD ISO copy and clone.

Digiarty Software, Inc. a dedicated multimedia software developer, bids farewell to 2012 Easter festival with a 5-day Easter Giveaway and coupon starting from April.12. WinX DVD Copy Pro was formally announced as the open-to-all gift mainly for DVD to DVD ISO copy and clone. It can be considered as the final round of 2012 Digiarty Easter promo.

It is reported that Digiarty is going to conclude 2012 Easter promo once after April 16. Jack Han, CEO of Digiarty Software said, "If you miss the last five days, the same chance has to be handed over to next year". By saying this, he is inviting all readers to enjoy the funny little online game now to win WinX DVD Copy Pro at

<http://www.winxdvd.com/giveaway/>

This is the third Easter giveaway launched by Digiarty subsequent to the donations of Blu-ray backup software and HD video conversion software in the previous eleven days. This time, the full licensed WinX DVD Copy Pro originally sold \$49.95 is being screened for free availability. By virtue of advanced sector-by-sector copy technology, this valuable Easter gift is able to clone DVD to DVD disc or ISO image at 1:1 ratio, and fast back up DVD to MPEG2 file while maintaining 5.1-channel AC3/DTS Dolby audio, etc.

Besides, WinX DVD Copy Pro is in support of DVDs with dirt, minor damage and crack, as well as DVD copy protections including CSS, Region Code, RCE, UOPs, Disney X-project and Sony ARccOS. The small customer-oriented features are also helpful in DVD chapter/audio/video extraction, DVD burning and ISO mounting.

In addition to DVD clone software giveaway, the software discount and the video program pack are also included in Digiarty's after-Easter promo. Digiarty offers 30% discount to those who missed the giveaway of Blu-ray backup and HD video conversion software. Moreover, everyone can get a bundle for DVD ripper, video converter, DVD copy, Blu-ray backup and audio video streaming through the 25% off "2012 Easter Video Pack" in one of the four eggs from the same event page.

Despite the 5-day countdown to the termination of three successive software giveaways, Digiarty's holiday discount and free gifts will continue. For anyone who is not content with the half-month Easter giveaway, the contributor also offers Facebook contest in a way not constrained by time and brands. Various gifts from Digiarty and even many other companies will be continuously available with daily or weekly updates:
